

List Crossword for Soccer Dribbling

Solve this puzzle by fitting the soccer dribbling answer words listed at the bottom of the page into the squares. Put one letter in each square. The number beside each answer tells you how many letters are in the answer. For example, the word “kick” is followed by (4) because there are four letters in the word kick. To find where the word “kick” fits in the puzzle, find four boxes in a straight line. Since each answer word has a different number of letters, you will only be able to fit the longest word in one place. Start with the longest word and then fit the others around it.
